Write Now & Write On, Grades 6-12

“They’re All Writers” will help teachers explore the power of writing centers. In elementary school classrooms across the country, writing instruction (not grammar worksheets or spelling drills) is still the neglected “R.” In this book, classroom teachers will find foundational information about the writing process with everything they need to begin and facilitate a peer tutoring writing center. Student-led writing centers harness the social and instructional power of students working and learning together, and this book includes specific lessons to teach students how to be effective peer tutors and how to be better writers. Book Features: A new, research-based approach to writing pedagogy that integrates both writing process theories and writing center pedagogies. Complete lesson plans to help teachers implement a writing center curriculum that meets Common Core and other quality standards. An approach that harnesses the power of social learning, develops students as leaders in their schools, and facilitates generative conversations around writing. “Through the framework of peer tutoring, the authors show us how children can improve their own writing while also appreciating differing perspectives.” —Anne McGill-Franzen, The University of Tennessee “With lesson plans on preparing peer tutors, the authors have established a flexible framework for teachers interested in implementing writing tutoring in their schools.” —Rebecca Babcock, University of Texas of the Permian Basin

**Intermediate Literacy Stations**

Literacy skills are the cornerstone upon which students' knowledge, self-esteem, and future educational opportunities are built. But far too many teachers lack the time, materials, and specialized knowledge required to address these skills adequately. To that end, Climbing the Literacy Ladder is a one-stop shop to help teachers plan and differentiate literacy instruction for all students from prekindergarten through 5th grade. Literacy educator Beverly Tyner presents plans for small-group instruction that addresses elementary students' six developmental stages of reading and writing: emergent, beginning, fledgling, transitional, fluent, and independent. To help teachers support students' literacy development, this book also provides -
Characteristics of readers and writers at each stage. - Lesson plans that target each of the research-based instructional components (fluency, word study, vocabulary, and comprehension). - Authentic classroom scenarios and conversations. - Practical classroom strategies and activities. - Advice for when to move students to the next stage. If students cannot read with comprehension by 3rd grade, then their educational future is cast in doubt. Climbing the Literacy Ladder will not only help you grow as a competent and empowered literacy teacher but also ensure that your students continue to travel a clear and unobstructed educational road. This book is a co-publication of ASCD and ILA.
