Jesus Talked to Me Today "Jesus - Stories of His Infancy" is a priceless treasure of wisdom rich with stories about Jesus' childhood that most people have never heard, a book that is not only enriching to the soul but also a visual treat as it is illustrated with beautiful photos from the film "A Child Called Jesus" and extraordinary masterpieces of art related to the stories.

"Jesus - Stories of His Infancy" is a small treasure chest of art, love and divine wisdom, undoubtedly a precious gift and a valuable instrument to teach true values to any child. Who can be a better teacher for children to learn about 'The Golden Rule of Life' than the Great Master of Love when He was just an infant? A precious gift for birthdays or any other occasion but especially for Christmas since the story of Bethlehem is recounted as it truly happened. The story in the book is full of details that are not commonly known, and it is true to the testimony of those who witnessed the event, amongst others, the shepherds who were awakened by the angels and the Melker, the Rabbi from the Synagogue of Bethlehem as he described it in his report to the Jewish Sanhedrim. Undoubtedly, a story that everyone will like to tell on Christmas night to the little ones of the family so that they know what a big celebration Christmas is for the whole earth. * Other books of Ysatis available at www.1stbooks.com are "Genesis 2000" and the continuation of "Jesus Stories of His Infancy," "The Passion and the Glory--The Greatest Love Story Ever Lived" and "The Era of the Antichrist" all which will also be available at Amazon.com and in a print and hardbound version at Barnes and Noble.

Jesus - A True Story
Judas and Jewish leaders.
Continually tried and condemned for Jesus' death. This book exonerates them and ends the longest running witch trial in history. The search for the true circumstances of Jesus' death is an intellectual detective story. The clues are all in words in the texts of the well-known Gospels and they're in the prejudices that blinded us to the obvious answer. This is not a tale about intrigue in the antiquities market. Nor is it about looking for secret documents buried in a cave. This is rather a tale about scholarly self-deception in reading the Gospels, Jewish history, and themselves. If the historical, Jewish Jesus has been buried at all, it is beneath our prejudices and fears. Uncover these and he stands before you, hidden in plain sight. That may not be the usual sort of detective story but it is as genuine a mystery as ever there was. It's worth solving. If you're dying to know the complete
solution, it's all there in a nutshell in Chapter 5. If you feel a need to wade into this more slowly, start with Chapter 1. I'll meet up with you again at the end of the book.

A Journey With Christ 'De Da Vinci Code heeft een verpletterende indruk op me gemaakt. Het is niet alleen spannend van begin tot eind, maar ook erg leerzaam.' Mordin, Scholieren.com

Jesus' Miracles - A True Story Listen to Jesus, the Christ, tell His own story . . . in His own words. You will find all four Gospel accounts combined in one single, flowing narrative. The Story of My Life as Told by Jesus Christ is a complete and thorough picture of the events of Christ's life. Now you can read about the Lord's life in chronological order, without repetition of a single detail; and every sentence in the four Gospels is included. Each of the four Gospels is unique. Yet, taken together, these accounts combine to form a complete story. Allow yourself to be immersed into the setting of the life and ministry of Christ. Follow His footsteps as He walked the earth with those He knew and loved. The impact is so arresting, you will feel that you are hearing the Gospel story as you have never heard it. Based on Tyndale's New Living Translation Bible, The Story of My Life as Told by Jesus Christ is in readable, contemporary English. A wonderful study aid for all ages.

The True Face of The Antichrist My book 'The Story of Jesus, The Gnostic View, ' is different from most books about Jesus, in that it goes into his mother's birth and the choosing of her to be Jesus' mother. It also shows Jesus' birth and the real truth as to why he was born in a stable, within a cave, as to what his infancy and childhood was like. He had to learn to handle his powers which was not an easy undertaking!! It then goes into his adolescent years and the burdens of it entailed. His Young manhood presented a problem also as well as his responsibilities to his family and community. Following that is his Ministry which takes place at an alarming rate!! Many of his disciples were chosen way before his Ministry began. My book then goes into 'The Last Supper,' and the Crucifixion, and the following Resurrection, and the circumstances surrounding it. It does not stop there though as many Biblical epics portray. It moves past the Resurrection and takes you into the forty days after it. Following the Resurrection is the time of the Ascension of Jesus to his Father!! It does not end there though. The disciples now had a foundation that has stood the test of time for centuries. (The world has changed the Churches to fit the people,not the people to fit the Church!!) My Book is backed by four books: 1. The Bible (Prophecy and the book itself) 2. The Urantia Book (Urantia Foundation) A. ( I differ slightly about John the Baptist's father's death) 3. Edgar Cayce's Story of Jesus by Jeffry Furst (Berkeley Medallion, Coward McCann) 4. The Lost Books of the Bible and the Forgotten Books of Eden (Meridian, New American Library) Jesus was extremely well educated and refined, compared to the image of an uneducated peasant carpenter portrayed by most of the Christian Churches of today. He is the Son of God, not God, as too many Churches say he is. If this is so, who is he praying to, while still on Earth!! He is beyond anything we can achieve in this world at this time!! This is his story as never told before in one book to this world!! It is now time to bring forth "The True Story of Jesus, as channeled through me. It is about a Religion and structure that is so old, yet so new in this time.

Twas the Night of Christ: The True Christmas Story Profiles the life of Baptist minister John Harper, who placed his only child in a lifeboat as the Titanic was sinking and then began to save the lives of other passengers and offer salvation to the lost souls around him.

Jesus, the True Story Ben Witherington opens up the world of the four Gospels and helps us hear the story of Jesus as one seamless narrative.

De Da Vinci code

The True Story of Jesus the Christ "I think I have heard the name before," said a young girl the other day. Would that have been your reply, if asked what you knew about Jesus? Or
perhaps you've heard the name as a swear word; or, maybe you think Jesus did not exist (though featuring in Roman history). What did Jesus do and say? And how do the various accounts fit together? Ruth Keable has two teenage daughters and has told them about the life of Jesus from an early age. She has also spent many years working on the staff of Christian summer youth camps, where she has listened to many questions about Jesus from young people and provided considered and comprehensible answers. Now she has brought these answers together in a readable new retelling of the enthralling life of Jesus. The book is intended to give young teenagers a first insight into the life of Jesus. It is Ruth's hope that it will inspire them to move on to study the whole narrative in the Bible for themselves.

Strangers at My Door

Jesus Rose for Me The story of Jesus written in a language that toddlers can understand.

Jesus Christ: The Real Story This book that you're holding in your hands will do what it was said about the two olive trees in Revelation and believe it, what is written in it will torment the inhabitants of the earth, just like it is described in the book of Revelation. I am not a theologian, but in this book you will find all the evidences, all the necessary proofs, which expose the true face of the antichrist, the true face of the devil, the one Jesus talked about in Matthew 13, 39. “And the enemy who sows them is the devil.” In this book you will also find the name of the beast, finally. Name that millions have tried in vain to identify. The devil sowed the lies, but we have believed in them despite all of Jesus and his disciples’ warnings and this causes our lost. Only the key of the kingdom of heaven that Jesus gave to Peter, the truth, the word of God can save us. Read very carefully 2 Thessalonians 2, 10. “They perish because they refused to love the truth and to be saved.” If you really have love for the truth, you will read; The True Face of The Antichrist to the end, even though it is very shocking and troubling as you have never been, but remember one thing, it is for your own salvation. I already have my salvation, because I saw and I believed the truth and I have accepted it. So, I wish you the same joy, the same happiness. The truth that is in this book is a knife straight to the heart of the beast. The more it will be sold and the more the truth will be known and accepted, the more the beast will be destroyed. What gives the power to the beast are the ignorance and the hypocrisy of its members. The beast has its foundation on lies and this is why it will be destroyed by the truth, by the word of God, just like the prophecy says. See 2 Thessalonians 2, 8. “And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth.” James Prince

The Friend Who Forgives: A True Story about How Peter Failed and Jesus Forgave BORN IN DARKNESS, REFINED BY FIRE Follow the story of a young born into a life of darkness, raised in the occult and ensnared by hatred and anger as he-in desperation-calls out to God and discovers the transforming power of Jesus Christ in his life! This autobiographical account of Greg Hibbins' early years and salvation testimony will not only open your eyes to the schemes of the enemy, but will also assure you of God's grace and mercy towards those who are broken or lost, and will highlight the redemptive power of Jesus in the life of anyone who calls on him-no matter his or her background. Greg's dramatic conversion, and then his rededication in the midst of a battle field fire-fight for his life has resulted in a man who has now served the Lord for 38 years in the pastorate.

Padre Pio Jesus Told Us Where to Find Him. Just Look for an Outcast. His first followers knew that Jesus could be found with the fatherless, the widows, and the hungry and homeless. He said that he himself was a stranger, and commended those who welcomed him. If he really meant these things, what would happen if you opened your door to every person who came with a need? Jonathan and Leah Wilson-Hartgrove decided to find out. The author and his wife moved to the Walltown neighborhood in Durham, North Carolina, where they have been answering the door to anyone who knocks. When they began, they had little idea what might happen, but they counted on God to show up. In Strangers at My Door, Wilson-Hartgrove
tells of risks and occasional disappointments. But far more often there is joy, surprise, and excitement as strangers become friends, mentors, and helpers. Immerse yourself in these inspiring, eye-opening accounts of people who arrive with real needs, but ask only for an invitation to come in. You will never view Jesus and the people he cares about the same way again.

Healed by the Stripes of Jesus Does the Apostle Paul have any use for the person of Jesus presented in the Gospels? Critical scholarship thinks not, but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus, but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons—in full agreement with the Gospel accounts. Stout examines Paul's intriguing description of the "Man Christ Jesus" (1 Tim 2:5) and suggests that this title fulfills the OT expectation of God appearing in human history as a man. In his incarnated humanity, the Man Christ Jesus accomplished salvation in the historical events of his life and death, and in his resurrected humanity, he appeared to Paul on the Damascus Road—rooting Paul's Christology deeply in human experience. Furthermore, Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine—that the entire church is associated with the historical events of the life, death and resurrection of Jesus, an association which also unites his church with one another in fellowship and service. This book, then, demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life, death, and exaltation as the "Man Christ Jesus."

The Titanic's Last Hero It has been fashionable in New Testament scholarship to view the apostle Paul as a religious "freelancer" who corrupted Jesus' teachings. David Wenham has written convincingly against this view, and in this new book he introduces readers to the "true" Paul. Rooted in a thorough knowledge of the New Testament, this book fulfills two important purposes. First, it provides a superb introduction to Paul himself. Wenham describes Paul's early life, shows the importance of his conversion, and follows him on his missionary journeys. Second, the book explores Paul's relation to Jesus. Writing in dialogue with those who wish to distance Paul from Jesus, Wenham shows just how important the ministry and teaching of Jesus were to Paul's own thought and evangelism. What emerges from a study of Paul's epistles is a man who drew extensively on the traditions of Jesus and faithfully worked to spread his message to the rest of the world.

True Story - Notebook Perhaps there is no other individual of any prominence in the history of religion about whom so many differences exist as about Jesus, the son of Mary and Joseph. In The Jesus Christ Chronicles, Wazir Kooloo shares a comprehensive examination of the negative Islamic schools of thought about Jesus while analyzing past mistakes and answering long-held questions. While relying on the verses within the Holy Quran as a starting point, Kooloo takes spiritual seekers on a journey that delves into the unknown true facts surrounding Mother Mary, her parents, and her initiation into the services of the Temple; the historical account of Jesus pilgrimage to India; and the Prophets journey to Mount of Olives where He is told He must suffer great persecution for the honor of God. Kooloo follows the story of Jesus life to 33 AD—a time in history that many biblical scholars refer to as the Year of the Passion of Christ, when an event unraveled that changed the course of religious history forever. The Jesus Christ Chronicles utilizes well-researched facts as it shares a fresh perspective on religion, philosophy, and reality.

Jesus Stories of His Infancy

The Gospel of Jesus

The True Story of the Attempted Murder of Jesus Christ This book provides an overview of the grand narrative of the Bible, showing how God's action in the world gives meaning to our lives and provides us with a foundation for our actions. The authors' bestselling textbook, The Drama of Scripture, presented this message for a student audience. It was then abridged and published at a more popular level as The True Story of the Whole World. This revised edition has been further updated and streamlined throughout for church readers and small groups. It includes contemporary reflection sections and discussion questions in each chapter for individual or group use.

The Jesus Christ Chronicles Lydia was seated on her bed reading her Bible on an ordinary August morning, oblivious of what she was about to hear and what would become her life from that day forward. Her son and nephew rushed into her bedroom. Her son was shouting, "Mum, there were two angels at the gate at night!" Her son was six years old at the time. He held her face and said, "I know the names of the two angels. They are called Angel Gabriel and Angel Michael." The two boys went on to say that Angel Michael was at the right side of the gate and was holding his sword facing upwards, while Angel Gabriel was on the left side of the gate and had his sword pointing downwards. She was amazed! How did they know the names of these two mighty archangels? Instantly, she realized that her son had had a supernatural encounter, together with his five-year-old cousin! This was the beginning of a series of incredible journeys with Jesus Christ. This book records their breathtaking trips to heaven and hell, their conversations with God the Father, their encounters with angels, relatives they met in heaven, and even the twenty-four elders who worship before the Throne of God all day and all night. These accounts will reveal to you how God is using children to bring home the simple truth that the Bible is the Word of God, heaven is real, and the only way to get there is through Jesus Christ, His Son.

The Story of My Life As Told by Jesus Christ Based on a true story, set in 1943, this book recounts a heartwarming tale about the true meaning of Christmas.

The Ghost in the Gospels In ‘The True Story of Jesus the Christ’, author Thomas Kerrins examines the validity of the Story of Creation. To validate the Old Testament narrative of our history, that Jesus himself exists only because of Mankind's rebellion toward God starting with Adam, Thomas uses as evidence the Flood; the trials and tribulations of Abraham, Isaac, and Jacob; and the clues found beneath the sands of the Middle East. He also looks at the followers of Jesus, to find out who they were and what role they played in the beginning of Christianity. Many experts and theologians are quoted, such as Dr. Juris Zarins, who shows through satellite imagery of Iraq, Iran, and Syria, the existence of fossilized rivers pinpointing the possible existence of Eden. Also quoted is Henry Rawlinson, who discovered the Behistune inscription that provided a tool to read another version of creation from a civilization 800 miles from where the Old Testament version of Genesis was written. Furthermore, archaeological evidence will be presented to validate such events as the Exodus, the Kings of Israel, and the invasions from Babylon and Persia. Understanding Jesus was to know who he was and what was his mission.

De jongen die in de hemel was A Heartwarming Story Collection of Children's Encounters with God, Angels, and Miracles Children have a special place in Jesus' heart. He said they are the greatest in the kingdom of heaven, and their angels continually see the face of God. Perhaps that's why children seem to be more receptive to supernatural experiences than adults. This new collection reveals how God works in the lives of these precious little ones. It contains the touching true stories of children who have heard Jesus speak, encountered angels, and experienced miracles. We could all use more childlike faith, and these stories "from the mouths of babes" will encourage readers to be open to hear from the Lord in a fresh, sweet, and pure way.

The True Story of Jesus The story of Jesus Christ goes much deeper than His crucifixion and resurrection. Few will dispute that a man named Jesus Christ lived 2,000 years ago and that He was a great teacher who impacted the world. Christ made a controversial claim—that He was the very Son of God, the long-prophesied Messiah—causing religious authorities in Jerusalem to reject Him, hate Him and eventually succeeded in having Him put to death. Likewise, the local Roman civil authorities also saw Him as a threat and became complicit in His execution. The religions of His day, both Judaism and paganism, opposed the growth of His teachings and used unlawful and violent means to try to destroy the Church He founded. The
government of Rome also came to vigorously persecute the followers of this Jewish teacher from Galilee. Today, there is much confusion and questions concerning this controversial figure. Where can you go for the answers? The Bible. This Bible Study aid booklet, "Jesus Christ: The Real Story" will help explain what is written in the Bible about Jesus Christ. Jesus was revealing His identity as the actual One whom the Jews knew as God in the Old Testament." "The New Testament writers cite messianic prophecies from the Old Testament more than 130 times. By some estimates the Old Testament contains 300 prophetic passages that describe who the Messiah is and what He will do. Of these, 60 are major prophecies. What are the chances of these prophecies being fulfilled in one person?" "A careful analysis of Scripture, however, clearly indicates that December 25 is an unlikely date for Christ's birth. Here are two primary reasons" "How can we fit "three days and three nights" between a Friday-afternoon crucifixion and a Sunday-morning resurrection?"
