A timeless statement about human foibles . . . and human endurance, this beautiful new edition features Wilder's unpublished production notes, diary entries, and other illuminating documentary material, all of which is included in a new Afterword by Tappan Wilder. Time magazine called The Skin of Our Teeth "a sort of Hellzapoppin' with brains," as it broke from established theatrical conventions and walked off with the 1943 Pulitzer Prize for Best Drama. Combining farce, burlesque, and satire (among other styles), Thornton Wilder departs from his studied use of nostalgia and sentiment in Our Town to have an Eternal Family narrowly escape one disaster after another, from ancient times to the present. Meet George and Maggie Antrobus (married only 5,000 years); their two children, Gladys and Henry (perfect in every way!); and their maid, Sabina (the ageless vamp) as they overcome ice, flood, and war -- by the skin of their teeth.

It is Thornton Wilder's most renowned and most frequently performed play. It is now reissued in this handsome hardcover edition, featuring a new Foreword by Donald Margulies, who writes, "You are holding in your hands a great American play. Possibly the great American play." In addition, Tappan Wilder has written an eye-opening new Afterword, which includes Thornton Wilder's unpublished notes and other illuminating photographs and documentary material.

The definitive memoir of Arthur Miller—the famous playwright of The Crucible, All My Sons, Death of a Salesman, A View from the Bridge, and other plays—Timebends reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for Death of a Salesman and the New York Drama Critics Circle Award in 1947 for All My Sons. Miller also wrote the screenplay for The Misfits, Marilyn Monroe's final film. This memoir also reveals the incredible host of notable figures who populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

Included in this extensive career biography are the major events of his life, his artistic innovations and cultural achievements, a detailed survey of his recordings and live

During the Golden Age of the Broadway musical, few director-choreographers could infuse a new musical with dance and movement in quite the way Gower Champion could. From his earliest Broadway success with Bye Bye Birdie to his triumphant and bittersweet valedictory, 42nd Street, musicals directed by Champion filled the proscenium with life. At their best, they touched the heart and stirred the soul with a skillful blend of elegance and American showmanship. He began his career as one-half of "America's Youngest Dance Team" with Jeanne Tyler and later teamed with his wife, dance partner, and longtime collaborator, Marge Champion. This romantic ballroom duo danced across America in the smartest clubs and onto the television screen, performing story dances that captivated the country. They ultimately took their talent to Hollywood, where they starred in the 1951 remake of Show Boat, Lovely to Look At, and other films. But Broadway always called to Champion, and in 1959 he was tapped to direct Bye Bye Birdie. The rest is history. In shows like Birdie, Carnival, Hello, Dolly!, I Do! I Do!, Sugar, and 42nd Street, luminaries such as Chita Rivera, Dick Van Dyke, Carol Channing, Mary Martin, Robert Preston, Tony Roberts, Robert Morse, Tammy Grimes, and Jerry Orbach brought Champion's creative vision to life. Working with composers and writers like Jerry Herman, Michael Stewart, Charles Strouse, Lee Adams, and Bob Merrill, he streamlined the musical making it flow effortlessly with song and dance from start to finish. John Gilvey has spoken with many of the people who worked with Champion, and in Before the Parade Passes By he tells the life story of this most American of Broadway musical director-choreographers from his early days dancing with Marge to his final days spent meticulously honing the visual magic of 42nd Street. Before the Parade Passes By is the life story of one man who personified the glory of the Broadway musical right up until the moment of his untimely death. When the curtain fell to thunderous applause on the opening night of 42nd Street, August 25, 1980, legendary impresario David Merrick came forward, silenced the audience, and announced that Champion had died that morning. As eminent theatre critic Ethan Mordden has firmly put it, "the Golden Age was over." Though the Golden Age of the Broadway musical is over, John Gilvey brings it to life again by telling the story of Gower Champion, one of its most passionate and creative legends.

From Adelaide in "Guys and Dolls" to Nina in "In the Heights" and Elphaba in "Wicked," female characters in Broadway musicals have belted and crooned their way into the American psyche. In this lively book, Stacy Wolf illuminates the women of American musical theatre - performers, creators, and characters -- from the start of the cold war to the present day, creating a new, feminist
history of the genre. Moving from decade to decade, Wolf first highlights the assumptions that circulated about gender and sexuality at the time. She then looks at the leading musicals to stress the key aspects of the plays as they relate to women, and often finds overlooked moments of empowerment for female audience members. The musicals discussed here are among the most beloved in the canon—"West Side Story," "Cabaret," "A Chorus Line," "Phantom of the Opera," and many others—with special emphasis on the blockbuster "Wicked." Along the way, Wolf demonstrates how the musical since the mid-1940s has actually been dominated by women—women onstage, women in the wings, and women offstage as spectators and fans.

In this invaluable and detailed presentation of the leading creative figures in a richly innovative and dynamic period of Czech theatre, Professor Jarka M. Burian provides us with insightful portraits of the directors K. H. Hilar, E. F. Burian, Alfred Radok, and Otomar Krejca: of the famous Voskovec and Werich comedic duo; of the scenographer Josef Svoboda; and of the playwright, now President of the Czech Republic, Václav Havel. There are also briefer studies of numerous other directors, designers, and actors. The author, a Czech-American theatre scholar and practitioner, has been a frequent on-site observer of Czech theatre since 1965. He is directly acquainted with many of the major artists and the most notable productions that have made Czech theatre internationally famous.

A work of startling originality when it debuted in 1938, Thornton Wilder’s Our Town evolved to be seen by some as a vintage slice of early 20th Century Americana, rather than being fully appreciated for its complex and eternal themes and its deceptively simple form. This unique and timely book shines a light on the play’s continued impact in the 21st century and makes a case for the healing powers of Wilder’s text to a world confronting multiple crises. Through extensive interviews with more than 100 artists about their own experience of the play and its impact on them professionally and personally – and including background on the play’s early years and its pervasiveness in American culture – Another Day’s Begun shows why this particular work remains so important, essential, and beloved. Every production of Our Town has a story to tell beyond Wilder’s own. One year after the tragedy of 9/11, Paul Newman, in his final stage appearance, played the Stage Manager in Our Town on Broadway. Director David Cromer’s 2008 Chicago interpretation would play in five more cities, ultimately becoming New York’s longest-running Our Town ever. In 2013, incarcerated men at Sing Sing Correctional Facility brought Grover’s Corners inside a maximum security prison. After the 2017 arena bombing in Manchester UK, the Royal Exchange Theatre chose Our Town as its offering to the stricken community. 80 years after it was written, more than 110 years after its actions take place, Our Town continues to assert itself as an essential play about how we must embrace and appreciate the value of life itself. Another Day’s Begun explains how this American classic has the power to inspire, heal and endure in the modern day, onstage and beyond.

Reviews the major patterns of the Pulitzer Prize-winning writer’s life, personality, novels, and plays, detailing Wilder’s relationships with celebrities and friends and the key events of his long career.

New York City’s Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway’s history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

Vividly recreating the unique pleasure of experiencing a song-and-dance show, Broadway Babies spotlights the men and women who made a difference in the development of American musical comedy. Mordden's account features such show people as Florenz Ziegfeld, Harold Prince, Bert Lahr, Gwen Verdon, Angela Lansbury, Victor Herbert, Liza Minnelli, and Stephen Sondheim, and such musicals as Sally, Oh Kay!, Anything Goes, Show Boat, Oklahoma!, Follies, Chicago, and countless others. While theatrical historians traditionally have emphasized the role of the authors of musicals, Mordden also examines the personal styles of the directors, choreographers, and producers, in order to demonstrate not only what the musical became but what it was. The volume includes an extensive discography—the first of its kind—which offers a virtually self-contained history of recorded show music.

This book delineates how Thornton Wilder (1897-1975), a learned playwright and novelist, embeds himself within the classical tradition, integrating Greek and Roman motifs with a wide range of sources to produce heart-breaking masterpieces such as Our Town and comedy sensations such as Dolly Levi. Through this study of archival sources and close reading, readers will understand Wilder's avant-garde staging and innovative time sequences not as a break with the past, but as a response to the classics. The author traces the genesis of unforgettable characters like Dolly Levi in The Matchmaker, Emily Webb in Our Town, and George Antrobus in The Skin of Our Teeth. Vergil's expression, "Here are the tears of the world, and human matters touch the heart" haunts Wilder's oeuvre. Understanding Vergil's phrase as "tears for the beauty of the world," Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late. Wilder exhorts us to observe lovingly, alert to the wonder of the everyday. This work will appeal to actors and directors, professors and students in Classics and in American literature, those fascinated by modern drama and performance studies, and non-specialists, theatre-goers, and readers in the general public.

Palmer clearly states that his purpose is to explain the ways of critics to theatre practitioners, the ways of theatre to inexperienced reviewers, and the dynamic convergence of theatre and critic to anyone interested in theatre.’. . . . The work is a well-written ‘primer’ for writers and it will be useful primarily to performers who object to unfavorable ‘criticism’ without understanding the nature and purpose of reviewing. Accessible to general readers and undergraduates. Choice Palmer begins with an examination of the theatrical review as a medium for informing and entertaining
thateqrogers, documenting events of artistic of community importance, and supporting theatre through critical evaluation and publicity. He next comments on how journalistic pressures affect reviewers. Citing brief examples from hundreds of reviews, the author devotes a chapter to each of the elements that needs to be covered in a review, including performers, script, direction, music, and choreography, together with stage and lighting design and other physical aspects of the production. The final chapter develops criteria for assessing the strengths and weaknesses of a theatrical review, based on aesthetic standards, the cultural tastes of theateqrogers, and the interests of the community. Palmer's experience as both a theatre professional and a journalist gives him an intimate understanding of the antagonism that often develops between reviewers and those who feel themselves to be the target of irresponsible criticism. His book provides a clear perspective on theatrical matters and guidelines that will help to improve standards of reviewing and create an appreciation of the essential relationship between the theatre and its critics.
